Police Care For Abandoned Babies

Turned over to police by Philadelphia Veterans' Administration officials with whom their mother, Mrs. Joyce E. Cawley, 19, (right) had left them, 14-month-old Betty Ann and 3-month-old Barbara Joan are being cared for by Patrolman Charles O'Neill. Mrs. Cawley, wife of a disabled war veteran, abandoned the children—along with an \$11.50 monthly pension check—because, she said, she couldn't keep them on total of "about \$72.50" her husband receives each month. She reclaimed the babies the following day.

PATROL TRIESTE AFTER DISORDERS

TRIESTE, Sept. 9.—Armed U.S. and Allied military police patrolled the streets of troubled Trieste today following an outbreak of violence yesterday in which they opened fire to disperse a Yugoslav demonstration held in defiance of a military government ban. Seven Americans and one Briton were injured during the melee.

Trieste was declared off limits to all Allied military personnel not on duty in the disputed city.

Police also patrolled Gorizia, 25 miles north of here, where American troops broke up a similar demonstration yesterday.

The Trieste demonstration, staged in defiance of AMG refusal to grant a permit, was scheduled to coincide with the anniversary of the Venezia Giulia partisan uprising on Sept. 8, 1943—and incidentally with the anniversary of Italian surrender.

Columbiana Street Fair Closes Successful Run

COLUMBIANA, Sept. 9.—Benjamin Firestone post of the American Legion Saturday night closed another successful street fair with an immense crowd in attendance.

Officials of the fair pronounced it the best held since the pre-war years. The exhibits in the tent, which had to be dispensed with during the war, will be up to the old standard by another year, the fair officials believe.

Winners of the three special prizes were: Mrs. Hattie Mockerman, Columbiana; Donald Summers, East Liverpool; David Summers, Youngstown.

Prizes of \$15 and \$10 were awarded merchants having the best window displays. Coppock's grocery received first and Roller's Book store second, while Crawford's grocery was given honorable mention.

\$150,000 Loss In East Palestine Fire On Sunday

LUMBER YARD DESTROYED IN SUNDAY BLAZE

Four Fire Departments Succeeded In Saving 4 Nearby Homes

A loss of \$150,000 was estimated today as a result of a fire Sunday which consumed four buildings of the Beight & Strohecker Lumber Co., a mile north of East Palestine on Route 170.

The conflagration also burned 25,000 board feet of lumber, which was stored in the company's main building, and a truck.

Fire companies from East Palestine and Columbiana and New Galilee, Beaver Falls, and Darlington, Pa., aided in fighting the blaze and were successful in saving four nearby homes, which were evacuated during the height of the fire.

Discovered By Girl

The flames were first noticed by a small girl and the alarm was turned in at 4:30 p. m. By 6 p. m. almost all the buildings were destroyed, but the fire continued to smolder most of the night. The fire companies left the scene at 9:30.

Origin of the fire is still undetermined, although fire officials believe the cause may have been spontaneous combustion.

Officials of the lumber company reported they had saved only one truck load of lumber, which was scheduled for delivery today, and an extra pile of lumber which was in the company yard.

Five carloads of new lumber, which had just been received by the company the latter part of last week, were destroyed.

Fireman Killed At Dayton

Authorities today carried out investigations of fires that caused severe damage in another Ohio city, and in a third city, Bellefontaine, police were hunting for a pyromaniac.

At Dayton, a five-story building was gutted and a fire captain lost his life while fighting the blaze. The fireman, Frank Crabtree, 43, died yesterday of injuries received in a 40-foot fall from a ladder after a stream of water struck him.

Damages were estimated by the proprietor, Adolph Miller, at between \$40,000 and \$50,000.

Bellefontaine police had a tiny clue in their hunt for a person who, they said, set seven fires in two hours Saturday night in a two-block downtown sector. Their clue was that he was hatless and wore a brown suit. This information was contributed by a resident of Hotel Logan, where the first fire of the series started.

Fire Chief Lea Boone said he was certain the fires were deliberately set.

Find Missing Tot In Indiana Hotel

TERRE HAUTE, Ind., Sept. 9.—Police Chief Forest Braden said today a child he identified as three-year-old Madeline (Toby) Tobias, kidnapped Kansas City girl, had been found in a cheap, rooming house here with a young woman believed to have been the child's abductor.

Braden said a man who had seen a newspaper picture of the child informed officers a girl answering her description was at the rooming house with a woman.

Officers were sent to the house and brought the woman and child to police headquarters.

Braden said the woman identified herself as Mildred King, who had been employed in the Kansas City home of Madeline's parents, Mr. and Mrs. Philip Tobias.

The police chief said the child apparently was unharmed.

The elder Porter was treated by a physician for lacerations of the head and back.

OPA PRICES BACK ON CANNED MEATS AND SHORTENING

WASHINGTON, Sept. 9.—OPA ceiling tags go back on canned meats, lard and shortening today.

Tomorrow they return to fresh meat, thus completing the farmer-to-consumer chain started when the price decontrol board ordered livestock products brought back under price control.

OPA has not announced a comparison of the new canned meats ceilings with June 30 prices, but lard is due to average five and one-half cents a pound more and margarine and salad oils about one cent more for the usual consumer-size container.

The ceilings on fresh meats will average three and one-half cents up from June 30 but considerably below recent prices, the agency has said. Some cuts will be as much as 16 cents a pound higher than they last sold under OPA tags.

Despite industry predictions of a new meat famine, officials insist that the prospect of a return to rationing is remote.

The general belief appears to be that too many obstacles stand in the way of restoring the wartime ration system.

In Chicago, the meat packing industry pledged its best efforts to make the new meat ceilings work, adding in a statement:

"The legitimate meat packing industry will buy every meat available at the legal ceiling prices... and it will sell meat derived from these animals at not more than legal wholesale ceiling prices."

S. ELLSWORTH AVE. CROSSING CLOSED

The work probably will take from one to three weeks.

Columbiana County's 101st Fair To Open

The Columbiana county fairgrounds at Lisbon will be a bee-hive of activity Tuesday on the opening day of the 101st annual fair with exhibitors, who had not previously placed their displays and entries, flocking to the grounds to arrange last-minute details in preparation for the gates to swing wide for the public. Thousands are expected to visit the exposition.

Commercial exhibits are again making their appearance at the fair with dealers in farm machinery, equipment, etc., again displaying their wares which have been hard to get even since the beginning of the war, although some equipment is now coming through.

Another exhibition which always attracts interest is the keen rivalry in the grange exhibits, with their all-inclusive displays of products of the farm, from the grain through vegetables and canned goods to delicious looking baked goods.

Attractive prizes have been offered by the farm board for juvenile grange exhibits with several entries anticipated.

Horse Pulling Contests

In addition to livestock entries and displays visitors to the fair on Wednesday may visit the midway attractions and witness the light draft horse pulling contest during the morning.

Heavy teams will vie on Thursday morning while on Saturday morning competition will be in the best four-horse hitch. Entries are free but are limited to teams owned by residents of Columbiana, Mahoning, Trumbull, Stark, Carroll and Jefferson counties.

Harness racing, which will be the main attraction Wednesday, Thursday and Saturday afternoons with three speed events listed each day and a good starting field is in prospect for each.

Wednesday's races include the 2:22 pace, the 2:18 trot and the 2:12 turn to COUNTY FAIR, Page 8

Hiroshima Bomb Wasn't Necessary, Halsey Says

BUFFALO, N. Y., Sept. 9.—The dropping of an atomic bomb on Hiroshima was a "mistake," in the opinion of Fleet Admiral William F. (Bull) Halsey, Jr.

"The first atomic bomb was an unnecessary experiment," he said Saturday night at a news conference. "It was a mistake to ever drop it. Why reveal a weapon like that to the world when it wasn't necessary?"

Halsey, who attended yesterday's All-America football conference game here between Buffalo and Brooklyn, asserted that the scientists "had this toy and they wanted to try it out, so they dropped it."

"It killed a lot of Japs, but the Japs had put out a lot of peace feelers through Russia long before," continued Halsey.

BANDS TO GIVE STADIUM SHOW

Three Marching Units To Appear Here Sept. 18 In Legion Event

Reilly stadium is expected to be jammed a week from Wednesday for a gala music festival when three bands—the American Legion Quaker City band, the Salem High school band and the Lisbon High school band—will give a marching and concert presentation as a benefit for the Quaker City unit's uniform fund.

The event, one of the largest of its kind held here since before the war, is open to the public, Legion officials said.

The program will open with a mass formation of the three musical units after passing the review stand in parade formations.

Field Drill Exhibitions

The Lisbon High band, directed by Arthur Wise, will give a field drill and concert to be followed by similar performances by the Salem band and the Quaker City band.

The appearance here of the Lisbon band is one of the first, other than at football games, in years.

The neighboring community's group is one of the most famous Class B High school bands in the country.

It has compiled an enviable record in national musical contests winning first on several occasions in recent years.

Arranges Program

Director C. M. Brautigan of the Salem High band will announce his complete program later this week.

George D. Chappell is director of the Quaker City unit, which was reorganized last spring and is growing into one of Salem's finest musical aggregations.

The Legion band took part this summer in the Tenth district convention at Steubenville and later the state Legion convention in Cleveland. The group is currently attempting to raise funds to purchase uniforms.

In all, 250 musicians, will take part in the Reilly stadium show.

Farm-Labor Unity Benefits Stressed

COLUMBUS, Sept. 9.—Murray D. Lincoln, president of the National Cooperative congress, declared today that a farmer-labor cooperative alliance would provide a "day of reckoning for monopoly capitalism."

Lincoln told the biennial convention of the congress, representing five major cooperatives of the nation, that the cooperative movement was "the only cohesive force" which could bring the farmer and worker into an effective working relationship.

"A two-cylinder movement," he added, "will find us fully prepared to serve the broad interests of the American community."

"When the American worker and the farmer clearly recognize their common purpose, and their interdependence, there will be a day of reckoning for monopoly capitalism in this country."

Lincoln declared that his organization should "extend every possible aid to co-op minded labor groups."

TRUCE HOPES FADE; UNIONS REMAIN PAT

Labor Department Official Fails In First Mediation Attempt

(By Associated Press)

The greatest shipping strike in the nation's history continued its strangulation of international commerce and many domestic industries today after hope for a truce was given up by a Labor department mediator in San Francisco.

Harry Lundberg, leader of the 90,000 striking AFL seamen whose picket lines are being respected by another 400,000 AFL and CIO seamen, stevedores, teamsters and other maritime workers, reiterated today that his men would not return to work until wage cuts ordered by the war stabilization board are scrapped.

Lundberg, president of the striking Sailors Union of the Pacific and the Seafarers International union, said that the walkout would continue "until the politicians in Washington" approve the wage increases the SIU and SUP negotiated with the ship owners.

Assistant Secretary of Labor Philip Hannah, who flew from Washington to see Lundberg in the hope of arranging a truce, announced last night after the last of several meetings with the union leader that he had been unsuccessful in his negotiations.

The War Stabilization board is scheduled to meet tomorrow in Washington to reconsider its Aug. 23 ruling limiting AFL seamen to wage increases of \$17.50 monthly—the amount awarded to CIO seamen.

The AFL unions had negotiated increases with shipowners of \$22.50 on the west coast and \$27.50 on the east coast.

Between 1,500 and 1,600 deep water ships were paralyzed by the strike as it went into its fifth day and 400 tugboats in New York harbor were tied up at their piers.

The cessation of tugboat activity was an added blow to industries and consumers in New York, already crippled by a strike of truck drivers.

Rail Cars Halted

The Association of American Railroads announced the shipping strike had caused 5,000 loaded freight cars to become idle.

In San Francisco, the SUP announced it had received an offer of financial support from John L. Lewis, president of the AFL United Mine Workers.

On boat coasts there was some maritime activity over the weekend as foreign craft, army ships, and oil tankers, which operate under a separate union contract, were kept moving.

Pittsburgh Faces Power Cut Tonight

PITTSBURGH, Sept. 9.—Leaders of an independent union of Duquesne Light Co. employees agreed to let a 50-man general policy committee decide tonight—four hours before an extensive strike is scheduled to start over an 817-square mile area—on whether to accept a company offer to arbitrate their contract dispute.

Although top union officials previously rejected flatly the arbitration proposal and the union rank and file voted to authorize the strike, the union yielded to pressure by Mayor David L. Lawrence and agreed to submit the issue to the general committee at a 7 p. m. meeting.

At the same time, the union officials refused a demand made by Lawrence that the union membership vote on arbitration.

Meat Shortage Shown At Livestock Markets

CHICAGO, Sept. 9.—The meat shortage continued today at major livestock terminals.

Hog and cattle receipts were the lowest on record for a normal Monday, although cattle receipts picked up at some western markets, most of the arrivals either were grassed cattle which do not make the best grades of beef, or were stock cattle which are re-sold to farmers who feed them to a heavier and better grade of beef.

Navy Converts Two Warships Into New Atomic-Age Fighters

(By Associated Press)

WASHINGTON, Sept. 9.—The United States, racing to maintain its naval supremacy, already is building the world's first atomic age capital ships armed with main batteries of robot rockets instead of guns.

The Navy disclosed this over the weekend in a somewhat terse announcement that the 45,000-ton Battleship Kentucky and the 27,000-ton Battlecruiser Hawaii would be "guided missile warships." Both ships were started as conventional design vessels, but construction was arrested when the rockets and atomic bombs of the final phases of World War II marked the arrival of a new day in warfare.

The announcement by Vice Admiral E. L. Cochrane, chief of the navy's bureau of ships, was sparing detail but left broad implications.

The navy's experiments with guided missiles have always contemplated eventually shipboard installation, although design studies were handicapped until the navy had made more progress in the development of guided missiles.

Striking Power Increase

The design studies now being made for the Kentucky and Hawaii together with the development of aircraft, will lead to a revolution in the striking power of naval warships. It is still too early to make any forecast of the ultimate design characteristics of these ships except that they will be guided missile warships.

It was patent, however, that the announcement marked the end of an era—the age of the rifled gun in the main batteries of American naval ships. The gun came into general use by the navy soon after the close of the Civil war.

Naval design men, talking informally, pointed out that the destructive power of capital ships can be increased enormously by use of far-reaching missiles homed to the target by electronic beams or drawn there by the attraction of the steel or heat in the target itself. And, designers say, the advent of the rocket with atomic blast warhead is just around the laboratory corner.

Martha Jane Weingart Wed To Warren Wilson Saturday

Miss Martha Jane Weingart was charming in a afternoon frock of light blue chiffon over blue satin when she became the bride of Warren Wilson of Springfield at 3:30 p. m. Saturday in a beautifully appointed wedding at the home of her parents, Mr. and Mrs. Frank Weingart, Goshen rd.

She wore a white lace calot with a net ruffle and the strand of pearls she wore was worn by her mother at her wedding. Her earrings were the groom's gift. She carried a shower bouquet of white roses and fern tied with white ribbon.

During the double ring ceremony, performed by Rev. Charles Dailey of Damascus, pastor of the Bunker Hill Methodist church, the bride and groom stood in front of the fireplace, which was banked with white gladioli. There was a center arrangement of white gladioli and white asters on the mantle and at either side were lighted tall white tapers in crystal holders. The rooms were decorated with gladioli and asters.

Preceding the ceremony, Homer S. Taylor, Methodist church organist, played "Clair de Lune" (Debussy), "At Dawning" (Cedman) and "The Lord's Prayer" (Malotte). He accompanied Melvin Weingart, brother of the bride, who sang, "Always," "I Love You Truly" and "Because."

As the bridal procession descended the stairs, Mr. Taylor played the Bridal Chorus from Lohengrin.

Given By Father
The bride was given in marriage by her father.

Mrs. Raymond Weingart, matron of honor, wore a deep rose dress with gold hobnail trimming. She carried a bouquet of pink roses tied with wide pink ribbon.

Miss Mary Lou Weingart of Springfield, bridesmaid, cousin of the bride, was dressed in green and carried a bouquet of yellow roses tied with wide yellow ribbon. Both wore white calots.

Little Margaret Wolford, cousin of the bride, was ringbearer. She wore an attractive frock of aqua green and wore a gold locket and chain, the bride's gift. She carried the rings on a small satin pillow.

The bride gave her attendants earrings and bracelets and the groom gave the best man a matching handkerchief and the set.

Mrs. Weingart chose for her daughter's wedding a light blue dress and wore a corsage of pink roses.

Reception Is Held
The reception was held on the lawn. Laid with a lace cloth and garlanded with flowers, the table was centered with a tiered wedding cake topped with a miniature bride and groom.

Mrs. Frank Baird, Mrs. F. J. McBride, Mrs. P. K. Dalziel and Miss Mary Wolford served.

The bride, a graduate of Goshen township high school, was employed in the First National bank until recently.

Boyle's COLUMN

By EDWIN SHANKE
(For Hal Boyle)

HECKINGEN. Ceimany—Crown Prince Wilhelm, son of former Kaiser Wilhelm II, and head of the Hohenzollern family which once owned almost limitless estates, is looking for a farm where he can settle down.

The Russian land reform in Silesia, Pomerania and Brandenburg has stripped the Hohenzollerns of all their vast farms and properties and left them with only an 80-room castle, a museum piece balanced on the crown of a high hill five miles from here.

"It is too impractical to live in," the crown prince said, and then smilingly added:

"A young American officer who visited it, as do many American soldiers, offered to take it off my hands for a good price but I told him there wasn't enough money in the world to buy it."

While on the lookout for a farm, possibly in Bavaria, the crown prince is living in a rented villa in this French occupied town, within sight of his castle called Burg Hohenzollern. About 100 years old, it is the third fortified castle built there by the Hohenzollerns.

Prince Wilhelm said he was concerned about the younger generation of Hohenzollerns.

His wife, Hermine, is living with their second son, Prince Louis Ferdinand, his wife, Princess Kira, and their six children at Bad Kissingen. Another son, Hubertus, is living at Budingen. Prince Frederick is in England. The crown prince's first son was killed early in the war.

"You know, the princes should take up some kind of employment," Crown Prince Wilhelm said. "Their position for the present is a difficult one because they all have been brought up as soldiers and haven't learned a profession."

Flashes Of Life

NEW YORK, Sept. 7 — Charles Shea, who won the Medal of Honor for wiping out three machine gun nests and killing 10 of the enemy during the 88th division campaign in Italy, got a jolt today when he read his discharge papers.

Although his heroic exploits were recited in detail, the space reserved for "periods of active duty" contained one word, in capitals: "None."

"YOU ARE MY SUNSHINE"
NEW YORK—Striking AFL musicians, walking picket lines around New York hotels, have found one personal benefit stemming from abandonment of the bandstands.

A member of the "night club palor crew" expressed it this way yesterday:

"We're getting more sunshine than we've had for years."

TOUGH REQUEST

BOSTON.—A few years ago, John Drohan, Boston Traveler baseball writer, was seriously ill, needed a blood transfusion, and received it.

Deeply grateful, he won his way back to health.

Today, Drohan revealed he had received a letter from the donor asking if he could get a pair of World Series tickets.

"It would be easier," lamented Drohan, "to give him back his pint of blood."

Seven Major County Schools And Goshen High Swing Into Football Action This Week; Salem Drops Preview Contest

SALEM-RHODES, PALESTINE-LEETONIA GAMES DRAW TOP BILLING IN WEEKEND SLATE

All seven major Columbiana county High schools and Goshen Township High in nearby Mahoning county take to the gridiron turf this week, heralding in the 1946 football season.

Coach Ben Barrett's Salem High outfit, Coach Joe Fortunato's Leetonia Bears and Coach Howard Parker's East Palestine Bulldogs have drawn top billing in the Friday night opener while down at Columbiana, with Poland scheduled for a Saturday game, the use of the new \$13,000 lighting system at the Poland game will be a district feature this week.

Barrett's charges, coming around to fair early season shape, are due for a terrific battle if they expect to surmount Cleveland Rhodes' giants in the Friday show at Reilly stadium.

Barrett is making no predictions, but the Quaker mentor has stated that if he gets by the opening game against the hefty Cuyahoga county lads, he will feel much easier about the balance of the season.

Little is known here about Rhodes as yet, but complete information on the returning veterans, weights, etc., will be had later in the week. Salem tied Rhodes last season 6-0.

The opening of the always interesting battle for the county championship is lined up for East Palestine Friday night. Leetonia, one of hottest rivals the Bulldogs have, will travel to that end of the county with coaching changes noted on both sides of the contest.

Howard Parker, former Bulldog mentor back from service, will toss a veteran-studded lineup against Fortunato's Leetonia team, which has only four lettermen as a nucleus.

The contest looms as one of the most hard-fought of the season for both teams and should indicate just what both sets of fans can expect for the rest of the year. Salem meets both teams this year.

East Palestine looks like the pre-game favorite, with 11 letter-winners in the lineup.

Goshen High opens at Atwater Friday afternoon. Little is known about either team's pre-season powers, but Goshen is well-manned with experienced talent.

Down Wellsville way, with Coach Merle Atkins in charge of the Bengals after two years in the Navy, the River men will take on an unknown quantity in Winterville.

The Bengals are another veteran-loaded outfit and figure to have a comparatively easy time with the Winterville lads.

Toledo, always dangerous but unpredictable this year, will do battle with Coach-Roy Hodges' East Liverpool Potters, now out to maintain a tremendous pace set by the 1945 eleven, which went undefeated.

Hodges, taking over where Don Ogden left off, is starting out with only four veterans from the 1945 team and will employ four Senior, five Juniors and two Sophomores in the starting lineup Friday.

Rudy Trbovich, 230 pound "educated-toe" man and tackle, Tackle Tommy Bell, Ed Jerry Hyder and Center Don Jackson are the only regulars back.

Saturday's games have Johnny Cabas' Clippers of Columbiana facing an unpredictable Poland outfit. Cabas, developing an entirely new backfield, will probably start Dick Perkins and Sammy Prizant at halfbacks, Bob Urschler at fullback and Rich Berryman on the quarterback spot. Cabas won six, lost two and tied one last season.

The Poland-Columbiana clash may go under the lights Saturday, a point which will be decided later this week.

Coach Edwin "Bud" Bucher's Lisbon Blue Devils, shaping up into a formidable machine this year, will do battle with Chester, W. Va., at Chester Saturday afternoon.

Bucher and Jack Mills, assistant, are fairly well pleased with the early showings of their hefty club. Lisbon looms an easy favorite.

BOB FELLER FINALLY WINS 23RD VICTORY

CLEVELAND, Sept. 9.—After losing six of his last seven games, Cleveland's fireball Bob Feller had his 23rd victory of the American league campaign today, and his knockout total stood at 301.

Feller tossed a seven-hitter against the St. Louis Browns yesterday to get a 3 to 2 nod, after the invaders had taken the opener 4 to 1 before a crowd of 20,532. Bob fanned eight.

In the opener Jack Kramer's service as unfathomable as that of another Jack Kramer who won the National tennis championship at the same time at Forest Hills. The St. Louis moundsman handcuffed the Indians all the way except in the eighth when Pat Seery parked one in the stands for a homer.

The second scrap was the 46th one-run affair of the year for the Indians, and they've won half of 'em. Cleveland scored two runs in the fifth, but the Browns knotted it in the seventh. Don Ross, subbing for Ken Keltner who has a cold, gave Feller the victory in the last half of the frame with a home run into the left field seats.

Jesse Owens, the former "Ebony Antelope" of Ohio State and Olympic fame, defeated Cleveland's George Case in a 100-yard exhibition cash between games. Jesse made the century in .09.9, while Case was clocked in 10 seconds flat.

Dodge Nine Defeats Carrollton Eagles

A two-run rally in the last of the ninth inning by the Altoona Dodge team was enough to nose out the Carrollton Eagles 6-5, in their Sunday tilt at Lake Placid.

"Lefty" Heinaman tolled for Altoona and permitted Carrollton nine bingles, while his own nine was coming the Eagle moundsman, D. Hemming, for 11 safeties. Heinaman fanned seven and walked five in his winning effort.

The heavy stickmen for the winners were Bugara, Ted Schwartzhoff and Profeta, each with two hits. One of Bugara's was a triple which scored the tying run in the ninth.

Altoona will tangle with the Transue-Williams nine of Alliance next Sunday at the lake diamond. ALTOONA AB R H E Bugara, ss 5 2 2 1 Miller, lf 4 1 1 0 Maley, rf 4 0 1 0 T. Full Eight All-America Pro Teams In Action This Week As Attendances Boom

NEW YORK, Sept. 9.—The All-America Football conference is off and running with over 120,000 paying customers watching its first three ball games.

Cleveland, New York and Brooklyn have bounced into an early first-place tie off opening weekend victories and all the other clubs will be in action before the week is out.

Compared to Cleveland's 44-0 romp over Miami before 60,135 fans at Cleveland Friday, the two Sunday contests were really tight battles.

Brooklyn's grid Dodgers defeated Buffalo 27-14, with a crowd of 23,489 on hand to see Glenn Dobbs overcome the handicap of a hand injury to pass the Dodgers to two fourth inning touchdowns.

Buffalo's Steven Juzwik just missed a touchdown with a 68-yard gallop in the first period, but Brooklyn held for downs with only inches to go and took the lead when Mickey Mayne raced 104 yards after taking Lou Zonini's attempted field goal in the end zone.

Dan Topping's New York Yankees uncovered a crushing ground attack and a clever passing offensive to down San Francisco's Forty-Niners, 21-7 before an estimated crowd of 35,000 at Kezar stadium.

After the Forty Niners had taken a first quarter lead, the Yanks tied in the second period on Lowell Wagner's 40-yard runback of a punt. Sustained drives of 52 and 72 yards in the third and fourth quarters added two more Yank scores. The San Francisco eleven managed a touchdown late in the first period on a forward lateral involving Frankie Albert, John Strzykowski and Len Eshmont.

The week's schedule: Friday—Brooklyn at Los Angeles (night) and Cleveland at Chicago (night). Saturday—Buffalo at New York (night). Sunday—Miami at San Francisco.

Three-Way Tie In Salem Golf Tourney

Three two-somes tied for first place in the Salem Golf club's Scotch Foursome tournament Sunday afternoon. Club Pro Andy Mocsary announced.

Miss Margaret Stewart and Frank Brian, with a gross score of 106, a handicap of 25, and a net 81. Mrs. Alta Greenstein and Ralph Long, with a 102-21-81; and Mrs. Frank Brian and Lester Kille, with a 107-26-81 were the winners.

Announcement was also made of the finals in the second flight of the club championship which was run off over the weekend. Fred Cope topped the title, emerging 2 and 1 over Eddie Pukalski after the latter had led Cope at the half-way mark by two holes.

QUAKER BACKS LACK DRIVE, BARRETT SAYS

Chaney Drops Locals 6-0 As 6,500 Watch "Preview" At Niles Stadium

In an abbreviated 15-minute game—part of the first annual "preview of football" for 1946 at Niles stadium—Coach Ben Barrett's Quakers, priming for the opening game against Cleveland Rhodes here Friday went down Saturday night to a somewhat unimpressive 6-0 defeat at the hands of Chess McPhee's Youngstown Chaney outfit.

Nearly 6,500 fans, representing 10 district High schools, crammed the Niles stadium Saturday to get a glimpse—and it proved little more—of their respective gridiron squads in action.

Coach Barrett expressed pleasure over the showing of his charges, but said there were many rough spots to be ironed out before the opener this Friday.

Barrett said the team looked good on its own offensive attempt, which moved the ball deep into Chaney territory on two successive first and tens and missed the third by only six inches when a pass, directly to End Ray Snyder, got away.

Barrett said his team's offensive was encouraging but he was concerned over the "lack of drive" displayed by most of the backs.

He was highest in praise, however, of Halfback Eddie Bozich and Left Guard Lee Sprout, who was once again a "terrible terror" on defense.

Salem had little opportunity to show much offensive work because of the short game time, but on defense the Quakers appeared fairly good, forcing Chaney to punt after the kickoff without any material progress.

The one Quaker drive was all that Salem accomplished, as Chaney scored with only 20 seconds remaining on a pass from Joe Flora to Bill Ciccarelli who scored on fourth down after his team's 68-yard drive.

In the other contests Saturday, Youngstown Ursuline defeated "Rib" Allen's Boardman High team, 6-0. Austintown Fitch posted a similar win over Youngstown Rayen. Wilson took East Palestine by another 6-0 mark and Niles and Youngstown East closed in a scoreless tie.

BOWLING

The Wednesday night Classic Bowling league will begin on Sept. 18. All bowlers or teams wishing to bowl are urged to report to the Bowling Center or Dick Albright, secretary, as about four teams are needed thus far to fill out the league.

In legal phraseology an act of God is an overwhelming natural event, such as a storm or an earthquake, which no human being could be reasonably expected to foresee or prevent.

The game was the final one to be played here this year.

Bernie Dargo of Akron was the star of the day with four goals while Knepper, Strauss and Hartman, each with two apiece, helped the winner's cause.

Jim Everett tallied for Salem and Walter Fernengel and Willie Smith each scored a single goal. Tony Sheen also marked up one.

Two three-men teams of younger players played an exhibition game on the field at halftime and ended in a 1-1 tie. Earl Grate was referee.

AKRON BEARS FORM TOUGH LINE-UP FOR CHICAGO BEAR TRY

National Loop Powerhouse To Appear In Akron Week from Tomorrow

AKRON, Sept. 9.—The Akron Bears took on a formidable appearance this week in preparation for the Chicago Bear opener a week from Tuesday at the Akron Rubber Bowl with the announcement by Coach Gene Ranzani of the addition to the squad of Vick Marino and Steve Benwick of Youngstown, Floyd Reese of New Philadelphia, and Forrest (Matt) Masterson of Louisville.

Marino, former Ohio State star, was named as guard on the Big Ten All Star squad and played in the All Star game in 1940. He played on the Great Lakes squad of 1942 during his service of five years in the Navy.

Former Alabama Star Benwick, former University of Alabama star lineman and 1944 Sugar Bowl star, will add strength to the tackle positions on the Akron squad. He played with the New York Giants last season.

Reese, former University of Tennessee star fullback, was a regular with the Cleveland Rams last season. He decided to remain in Ohio when the Rams moved to Los Angeles.

Masterson, from Iowa university, was with the Chicago Bear squad last season as a tackle. Both Reese and Masterson were in the armed forces during the war and appear to be in first class shape. Reese weighs 240 and Masterson tips the scales at 234.

Modern Paul Revere

Mitchell Sawditz of Brooklyn, N. Y., on a 2,000 mile bicycle tour of 10 states in behalf of the American Cancer society stopped off in Salem Sunday afternoon.

The Brooklynite, a concert musician and teacher by profession, is making the "modern Paul Revere" trip in the interests of the campaign against cancer. He went from here to Canton.

Took Time

First published in 1814, the "Star-Spangled Banner" was not officially designated as the U. S. national anthem until March 3, 1931.

Baked Smoked Pork Butt

(Serves 4-6)
Two to three pounds smoked pork butt, 2 tablespoons vegetable gravy extract, 1/2 teaspoon prepared mustard, 1/4 teaspoon onion salt.

Cook pork butt in three quarts boiling water until tender, about one hour. Cool. Cut into about ten 1/2-inch slices. Arrange on a heat-proof platter.

Blend together extract, mustard and onion salt. Brush on surface of pork slices. Bake in a moderate oven (350 degrees F.) for 25 minutes, or until brown.

Serve on the same platter, surrounded with parsley potatoes and young whole carrots. Garnish with short cut sprays of watercress.

Duck is seasonable and, cooked this way, it makes a de luxe dish.

Duck With Pineapple Sauce

(Serves 4)
One 5- to 6-pound duck, 1 1/2 teaspoons salt, 1/16 teaspoon powdered ginger, 1/16 teaspoon rosemary, 1 1/3 cups duck broth, 1 cup pineapple juice, 2 tablespoons lemon juice, 1/4 cup duck fat, 1/4 cup flour, 2 medium-sized green peppers.

Clean duck thoroughly. Push back neck skin and cut off neck.

To make duck broth, cook neck with giblets in 1 1/2 cups water until tender.

Quarter duck. Place in heavy 9-inch frying pan or Dutch oven with tightly fitting cover. Braise, uncovered, over moderate heat, turning frequently, for about 20 minutes. Drain off fat.

Blend together 1 teaspoon salt, ginger, and rosemary. Brush on duck. Cook over moderate heat until brown, about 15 minutes. Add 1/3 cup duck broth and cook, covered, until tender, about 35 minutes.

Remove to warm platter. Drain fat from pan. Combine in pan pineapple juice, lemon juice, 1 cup

duck broth, 1 teaspoon Worcester-shire sauce and 1/2 teaspoon salt. Blend together and add duck fat and flour.

Bring to a boil, stirring constantly. Lower heat and add duck. Cut green peppers into 1-inch pieces and add. Simmer, covered, over low heat for 10 minutes.

Serve immediately.

SO THEY SAY

So long as labor fails to recognize that wage increases without a corresponding increase in production feed the fires of inflation and make even wage raises meaningless, the upward pressure on prices will continue.
